Dear Parent/Carer,

Your child has been selected to attend the Science Super Stars day in the science department at RSA Arrow Vale on Tuesday 17th October 2017. This is an amazing opportunity where pupils get to work with other children from RSA Churchill and with RSA Arrow Vale staff. They will take part in a day long project where they will experience some G.C.S.E style practicals and scientific problems.

Your child will need to return a signed slip to Mrs Duggins in the science department at Ipsley before Monday 16th October 2017.

For the day, pupils need to arrive at Ipsley for normal registration then meet Mrs Duggins outside Lab 2 at the start of lesson 1. Pupils will then walk to RSA Arrow Vale, accompanied by a member of staff. Your child will need to have a drink and packed lunch for the day, as well as expected school equipment. Your child will be walked back to Ipsley to be collected at the end of school or to attend any normal school clubs by 3:15pm.

If your child is in receipt of free school meals, please highlight that on the return slip and lunch will be provided for your child.

Thank you

Mrs H Duggins
Assistant DLS of science
KS3 Science Leader (Ipsley and Arrow Vale)

Science Super Stars Day – 17 October 2017

Child's name: _____ Class: _____

I give permission for my child to attend the Science Super Stars day on 17th October 2017
