

WEEK BEGINNING:

Happy New School Year!

There has already been a lot of exciting learning happening in the classrooms. It has been lovely to see how happy and smart all of the children in Year 6 have been over the first week back at school. They have settled back into their routines and are getting to know their new teachers. We are very excited about this year ahead with them. The Year 6 teachers are:

Miss Davies - Mrs Fellows - Miss Price - Miss Parker

Mr McNidder - Mr Byrom - Miss Danckert - Mrs Smith

English

This week, in English, Year 6 have been exploring the mysterious and intriguing tale of *The Landlady*, a short story by Roald Dahl. We have met the two key characters and been using our inference skills to infer what they are like, backing ourselves up with justifications from within the text- a key skill that will help us in Year 6 and beyond. Who knew Roald Dahl created such intriguing and sneaky characters?

Maths

This week Year 6 have been reminding themselves of place value and exploring bigger numbers. They have been creating, saying and writing them up to ten million. This has been a challenge that they have enjoyed rising to. They have also been reminding themselves of the methods used for arithmetic.

Topic

Year 6 have begun with a small project that combines Science and Design and Technology. Their end goal will be to design a balanced breakfast to give them energy to get through the morning. They began by exploring the different food groups and the different jobs they do for us and why we should be eating them all daily as part of a balanced diet. They have investigated the different breakfasts that people eat and have analysed the nutritional value of them.

Parents' Evening

Your children will be bringing home a letter today about the coming Parents' Evening at Ipsley. This will be a pastoral based evening where we will give you an insight into how your child has settled in to Year 6. These two nights are on Wednesday 27th September and Thursday 28th September and they fill up fast. There is information on the letter about how to book a slot using our online system. If you do not have access to the Internet – you can still book a slot by writing a message to your child's class teacher in their Learning Diary.

School Parking

Can we please be mindful when you are collecting your child in your car that you respect the access to local residents to their drives and access to their roads.

Access to the school car park is by an approved pass only and you can apply for this pass at the school reception

ParentPay

The minimum spend for lunches on ParentPay has been lowered to £2.30.

ATTENDANCE

Star of the week

6EP—Sebastian Polanowski & Charlotte Cook

6JB—Ellese Blockley

6CF—Tom Williams

6DM—Isobel Frampton

6SP—Tate Clarke

6LD—Corey Hirst
