

WEEK BEGINNING:

English

In English this week we have written a biography of a Camp Green Lake inmate – some classes have chosen an existing character, such as Squid, Armpit or X-Ray, whereas others have delved deep and created their own fictional character from a mystery bag that turned up in the Year 6 area. The writing was amazing; with so many children including many of the skills we have taught them throughout the year.

Maths

This week Year 6 have been working through time tables, such as bus and train time tables in order to answer SATs styled questions.

Topic

We have now split off into cross-state Road Trips, with all classes going somewhere different. Heading to Atlanta, 6BSC have explored the many attractions, written a postcard home and decorated in the style of the up and coming urban art scene, graffiti. 6CFE are writing postcards home from Alabama whilst 6DMC are creating brochures from Washington DC to highlight the memorials in the capital city; 6LDK are off to Alaska to explore the wildlife in America's northernmost state and 6RBO are off to Hawaii, America's southernmost state. Aloha!

Science

Classes are continuing with circuits – 6SPA are currently exploring the circulatory system and 6RBO are exploring electronic circuits.

World Book Day:

World Book Day is on Thursday 2nd March!

As part of our celebrations, pupils are being asked to get creative and dress up as a character from their favourite book. We would love to see some really inventive thinking behind your costumes- wow us with your creativity!

There will be prizes per year group for the best character costume.

There is no payment required to join in; however, if you choose not to dress up as a character, normal uniform rules will apply.

Share Aware

Recently we have become very aware of the need to remind our pupils of how they can stay safe if they are online or using mobile phones. This week, pupils have been taught two lessons from the NSPCC on how to be Share Aware. We have attached a parent's guide to support you in keeping your children safe at home. For more information, please see the links to the NSPCC Share Aware advice on our website – go to the information tab and choose safeguarding.

Remember:

Please check that your children have all of the correct parts of the uniform and equipment. Girls should remember that they need to tie their hair up every day. There will be a uniform check first day back.

ATTENDANCE

Well done 6SPA!

 **Star of the week**

6RBO - Ellie Booker

6LDK - Tyler Elmes

6CFE - Joe Malley-Byrne

6DMC - Morgan Baldwin

6SPA - Lottie Mai-Evans

6BSC - George Fletcher
