

WEEK BEGINNING:

SATs

It has been a long week for Year 6, but SATs are over! Five tests in four days; testing SPAG, Maths and Reading, but now all are finished and the wait for the results begins. Year 6 have been an absolute credit with their exemplary behaviour, attitude and resilience towards the tests.

We are all also very grateful for the donations for SATs breakfast from Oakland: we have managed to eat nearly 100 loaves of bread, 10kg of beans and about 100 bananas this week. Without them, the children would not have had the chance to socialise before school, eat and make sure they were fuelled for the tests.

Once again – a massive well done to all Year 6 children!

KFC

This Friday saw the launch of the new Year 6 competition, with the help of KFC. In an all-singing and all-dancing assembly (thank you to Mr McNidder in particular for his motivational run around the hall!), they gave us some history of the company, some fun facts about themselves and chicken as well as invited everyone to participate in an amazing competition – to design their own burger for KFC. The competition requires a fantastic burger design along with a persuasive letter to Chris (the Food Manager of KFC), asking him to produce the burger. One lucky winner will receive a VIP pass to go and make their own design, whilst 10 runners up will receive 'Chicken Cheques' – entitling them to some free KFC and everyone else will receive a secret prize when they return on the 24th May.

What a fantastic competition – we are all extremely excited to see what is produced!

Sports day

We would like to invite you to come and watch the afternoons action on sports day which is taking place on **Tuesday 16th May**. The gates will open at 1pm and we will be letting parents/carers onto the field at 1.15pm ready for the day's action. Unfortunately there will be no parking spaces available on Sports Day.

ATTENDANCE

Well done 6LDK!
