

Dear Parents/Carer

At Ipsley we thrive on ensuring that students achieve their full potential in all areas of the curriculum and with strong links with RSA Arrow Vale we are able to share revision ideas to enable students achieve their best for their G.C.S.E's and A levels. In the science department we are currently delivering a Key Stage three education that will feed directly into the science G.C.S.E course your child will be taking over the coming years.

At the end of the academic year your child will sit an end of year exam, this exam will guide RSA Arrow Vale in your child's science education when they attend there. In order to ensure your child achieves their best I would like to recommend a revision guide to help them prepare for their examination.

As a school we are able to order revision guides at a lower price than if you bought it at a retail shop. The revision guide I am recommending is the New KS3 Science Complete Study & Practice (with Online Edition)

This book includes everything students need for success in Key Stage Three Science... in one book! This Complete Study & Practice guide is fully up-to-date and brimming with clear, friendly notes, diagrams and examples on spacious, easy-to-read pages.

There are also plenty of summary and test-style questions, plus mixed topic tests and a fantastic practice exam, all with answers at the back of the book. And finally, a free Online Edition is included — just use the unique code printed in the book to access it on a PC, Mac or tablet!

This revision guide has a retail price of £10.99 but we are able to buy them for £5.50. The preferred payment method is via ParentPay. If you have not yet registered to use ParentPay please contact the school office.

If you would like your child to have a revision guide please return the slip to Mrs Duggins before 22nd January 2018. The books will then be ordered and then your child will be asked to hand in the money for the revision guide upon collection.

This book is ideal for both Year 7 and 8 and is up to date with all new areas in the Key Stage 3 curriculum.

Mrs H Duggins
Assistant DLS of science, KS3 science leader (Ipsley and Arrow Vale)

Science revision guide

Child's name: _____ Class: _____

- I would like to purchase a science revision guide
 I confirm I have paid £5.50 via ParentPay
