Opening Doors to Business

Dear Parent/Carer,

Last year we took part in a new and exciting RSA project called **Opening Doors to Business**. The aim of RSA project is to provide pupils with the opportunity to go inside a business and see how it operates. We have been given another fantastic opportunity this year.

Our visit is to **Micro Springs and Stampings**, Elizabeth Way, Enfield Industrial Estate, Redditch on **Friday 9th March 2018**. MSP is a leading manufacturer of springs and stampings in a vast range of exotic materials such as Stainless Steel, MP35N, Beryllium Copper, Inconel and Titanium.

We will leave school at 9.00am, travel by mini bus and return to school by 11.45am. Pupils must wear full school uniform.

Please complete the reply slip below and the attached emergency form if you want your child to be a part of this great opportunity and return by Thursday 15th February 2018.

Many thanks,

Mrs S Jilks
KS3 Phase Leader.

Opening Doors to Business – Micro Springs
