

Dear Parent/Carer,

University of Gloucestershire

We would like to invite your child to take part in a trip to the University of Gloucestershire on Friday 23rd March 2018. This is a very special event and is a fabulous opportunity for your child to visit this University for a 'Powering Transformation' workshop with DELL.

Powering Transformation is an exciting one day programme, providing the opportunity for Years 7 and 8 pupils to use the latest Dell technology in a creative and engaging setting. The workshop will centre around student's identifying a local social issue they are passionate about, and explore ways to solve the issue through the use of the Dell technology. The programme has a strong focus on developing students' key transferable skills including critical thinking, problem solving, and innovation.

We will leave school promptly at 7.45am and return at approx. 5pm. The children will travel by coach. We will eat our lunch at the University. Please provide your child with a packed lunch, snacks and drinks. A packed lunch will be provided for those who have free school meals.

Pupils will be able to bring their mobile phones to keep parents/ carers informed of our progress home and our estimated time of arrival back at school. We will keep you updated through Twitter during the course of the trip.

To confirm your child's attendance please complete the slip below and the attached emergency form and then return it to Mr Spencer by **Friday 16th March 2018**. Pupils have also been asked to complete the attached survey – this should be returned to school with the other completed forms.

Yours sincerely,

Mr K Spencer
Head of Year 7
