

WEEK BEGINNING:

## Maths

In Maths this week, we have been attacking Roman Numerals – in fitting with our recent topic on Invaders. We have learnt rules such as not having more than three letters together (VIII is 8) and using a letter before another to show it's subtracted (IX is 10 subtract 1 which equals 9).

Modern numbers	Roman numerals	Modern numbers	Roman numerals
1	I	11	XI
2	II	12	XII and so on...
3	III	20	XX
4	IV	21	XXI and so on...
5	V	30	XXX
6	VI	31	XXXI and so on...
7	VII	40	XL
8	VIII	50	L
9	IX	60	LX
10	X	100	C

## English

We have started our new novel – Stitch Head, and are currently reading it, excited as to what will happen. As part of our English topic, we have been designing a new creature that might find in with the freak show that Stitch Head is a part of. We've followed that up by attempting to persuade the freak show owner to allow them to be a part of it.

We are loving the book! If you child is loving the book – there are several sequels in this series that are also great reads!

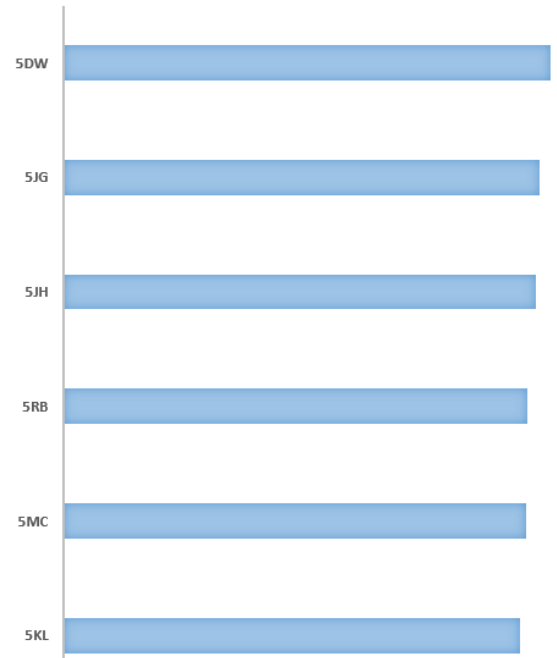

## Remembrance

On Friday, we marked a two minutes silence at 11am on as part of our Remembrance Day commemoration. The whole school gathered on the playground, laid wreathes, crosses and messages to all of those impacted by the atrocities of war.
