

Dear Parent/Carer,

**Re: ParentPay for Catering lessons**

As part of the Creative Arts curriculum, your child will be taking part in Catering lessons, which involve a combination of both practical and theory lessons. There will be in four practical food making lessons with two of these lessons before Christmas. There will be an even split between sweet and savory dishes.

Here at Ipsley we are focused on giving an outstanding learning experience to all of our pupils but we also do take into consideration the pressure that is placed on parents/carers to provide the ingredients.

Therefore, we have decided to trial using Parent Pay to ensure that all pupils have the correct ingredients, keeping the cost down for everyone involved, as well as decreasing the amount of wastage due to unused ingredients.

The cost of this is £4.00 per pupil for the first 2 lessons, which works out at £2.00 per meal. This will provide pupils with all of the ingredients and a container to cook the food in and to take it home in.

All pupils entitled to free school meals will automatically receive their ingredients free of charge. If you don't currently receive free school meals but think you may be eligible, please contact the school office for an application form.

As this is a trial of this new method, we would appreciate your feedback at the end via a slip we will send home. Please complete the attached slip and return it to Miss Potts by **Thursday 25<sup>th</sup> October 2018**. Thank you for your continued support.

Yours sincerely

Miss J Potts  
Creative Arts Teacher
