

Dear Parent/Carer,

As you will be aware, the current Y6s will be taking their Standard Attainment Tests (SATs) toward the end of the year.

Whilst we will be doing all that we can at school to challenge and support your child in their Reading development, we are of course aware that parents and carers may wish to help and support their child at home.

In order to help with this, we are hosting a 'Mince Pie and Reading Workshop' evening on Thursday 6<sup>th</sup> December 2018. This interactive and helpful evening aims to share a little Christmas cheer at the same time as show you a variety of techniques and ideas that you can use at home to support the reading development of your child.

There will be three half-hour sessions throughout the evening: 3:30pm, 4:00pm and 4:30pm. Please tick below which session you wish to attend and return the slip to your class teacher by Monday 3rd December.

Working together in the education of your child,

Miss Danckert  
**Assistant Principal**
