

Dear Parent/Carer

Your child has been chosen to become a STEM leader.

STEM stands for science, technology, engineering and mathematics and is a nationwide organisation that promotes these subjects in schools and colleges. At Ipsley we are hoping to show links between these three departments and complete projects after school for pupils to experience how these subjects matter in today's society rather than have pupils see them as separate subjects.

As your child has attend or is attending STEM club I would like to offer them the chance to become a STEM leader. This will mean running and organising the KS2 STEM club on Thursday's during KS2 lunchtime. This is an amazing opportunity to developing confidence, team-building skills and develop their science knowledge for the future.

For this chance, your child will need some training and will complete an online training course for STEM leaders as well. I would like to hold these training meetings on Friday after school until 4pm. This will start on Friday 18th January 2019 until 8th February 2019. There may also be times when your child will be removed from lesson 6 on a Friday if there is an extended training session needed.

If you would like to view any other STEM projects then the website has many ideas that can also be done at home. Go to the website <https://www.stem.org.uk/> for more details.

Yours sincerely

Mrs H Duggins
KS3 Science Leader (Ipsley and Arrow Vale)

STEM Leaders

Child's name: _____ Class: _____

I give permission for my child to attend the STEM leader training meetings from 18th January 2019 until 8th February 2019

- My child will make their own way home
- My child will be collected at 4.00pm
- My child has permission to have their picture taken which may be used by the school for future information and/or marketing (e.g. newsletters, website etc.)

Signed: _____ Date: _____
