

Teacher of Maths (Maternity Cover)

Required for February 2018
Salary negotiable for outstanding candidate

We require a well-qualified and enthusiastic teacher to join our dedicated and hardworking Maths department in February 2018,

RSA Academy Arrow Vale (13/18 high school) and Ipsley CE RSA Academy (9-13 middle school) work closely to ensure seamless curriculum provision from the start of Year 7 through to Year 13. Maths teachers within both schools work together as one department with the same goal of ensuring pupils achieve the best possible outcomes via an engaging learning experience.

This maternity cover will be based at Ipsley, teaching the full ability range of pupils across Years 7 and 8. Ipsley is a vibrant learning community that has seen rapid growth over recent years and is now oversubscribed. This is a very exciting time to be joining a highly motivated and successful team. Applications are welcome from newly qualified as well as more experienced professionals who possess the necessary drive and commitment to work with our students to contribute to the continued improvement of maths within the Trust. In return there will be clear opportunities for personal and professional development.
