20th March 2017

Dear Parent/Carer,

Your child has been selected to participate in the 5 week Believe programme. This programme will consist of 5 different activities that will encourage them to develop their confidence, personal organisation and life skills that will help them in the classroom and prepare for life beyond Ipsley. We believe that ensuring that our students are prepared for secondary education will also help them to cope with the demands of this current academic year.

Included in the programme are activities such as water sports at Upton Warren, Zip wire and orienteering at Blackwell Court, an activity day at Canon Hill Park and a cookery and creative arts day which will be based around healthy eating and diet.

The block of activities will begin on Monday 27th March and will continue on the dates expressed on the activity plan. Every activity will be finished during the normal school day so pupils can make their usual way home. As the programme has been funded by the Academy, there will be no cost for your child to take part in any of the activities. Students are expected to arrive in their full school uniform and will change when appropriate. On arrival back to school, students will change back into their school uniform.

Yours sincerely,

Mr. P Gripton
Assistant DLS for PE

Believe Programme

Child's name:..... Class:.....

I confirm that I am happy for my child to take part in this programme

I do not wish for my child to take part in this programme

Signed..... Date:.....
