Dear Parent/Carer,

Please find attached a data sheet with the information that the school holds for your child.

It is vital that we have correct, up to date contact details for you. From time to time we may need to contact you to pass on information, to inform you of a great piece of work your child has produced, or to update you on their progress.

On rare occasions we may need to contact you in the case of an emergency involving your child.

Please check the attached data sheet.

If it is all correct, please sign the bottom and return it to school via your child.

If any information needs to be updated, please add the correct details clearly on the form and return it to school via your child.

If you have any questions, please contact me at school.

Thank you for your co-operation.

Mr K Addis
Head of Year 7
