Dear Parent/ Carer,

**Re: Homework and Reading Club**

Homework and Reading Club is offered to all KS2 students every evening after school in our library from 3:15pm until 4:00pm. This provides a quiet and peaceful environment for our pupils to complete their homework and read and change their books. Pupils have access to computers and the reference books and a member of staff will be available to support them at all times.

Due to a high number of interest, places will be allocated on a first come first serve basis and your child will be notified if they are one of those who are attending. Please complete the reply slip and return to their class teacher or the library by Monday 11th September.

If for any reason your child cannot attend on the days you have specified, you **must** inform the school either by telephone or by a note in your child's planner. If pupils do not attend the club when they are due to and we have not received prior notification, you will be informed via text that the child has not attended.

If your child repeatedly fails to attend without informing the school of a reason, the place will be given to someone else and you will be notified. If your child chooses to attend another club instead of homework club, could you please inform the school so that the place can be given to another pupil.

If you have any questions, please do not hesitate to contact me at school.

Miss N Jackson  
Achievement Assistant
