

**Maths University of Worcester Trip – Saturday 8<sup>th</sup> April 2017**

Dear Parent/Carer,

We are writing to inform you that your child has been selected to attend Worcester University for a Maths day **on Saturday 8<sup>th</sup> April 2017**. This will be an excellent opportunity for your child to discover university life while studying maths in a fun and exciting way! The workshops will support mastery and deepening of conceptual understanding around challenging areas of mathematics. Your child will have the opportunity to meet other children from a range of schools, allowing them to develop their interpersonal and independent thinking skills.

We will leave school at 8:30am and return approximately at 4pm. As it is a Saturday, the meeting point will be at the school's car park. Uniform is not expected, however pupils will be expected to wear comfortable and practical clothes suitable for outdoor sessions.

There will be no charge for the day and a sandwich lunch will be provided for the children. Please make sure your child has plenty to drink for the day.

Please complete and return the slip below to Mr Hylton if you give permission for your child to attend. Please indicate whether they will make their own way home or if they are to be collected below.

Yours sincerely,

Miss Parker  
KS2 Maths Lead
