12th October 2017

Dear Parent/Carer,

National Space Centre, Leicester – Monday 13th November 2017

We are pleased to announce a proposed trip to the National Space Centre in Leicester on Monday 13th November 2017 as part of our 'Out of this World' topic this term.

We envisage that the trip will cost between £20 and (no more than) £30. We are currently arranging the details with the Space Centre and will be able to confirm final cost on ParentPay in the next week or so.

We are hoping to offer the trip to children eligible for Free School Meals at a reduced rate, more details will follow. We will collect money for the visit in advance of the trip.

Yours sincerely,

Mr Scarle
Team Leader - Year 5

Mr Hylton
Class Teacher in Year 5
