Dear Parent/Carer,

Following the success of and the feedback from the parent survey in the summer term last year, I am writing to welcome parents who are interested in forming a Parent Group at Ipsley RSA to contact me on [parentgovernor@ipsleyacademy.co.uk](mailto:parentgovernor@ipsleyacademy.co.uk).

I would like to meet with any parents who are keen to share ideas and give a little time towards forming and running a parent group. There is real scope to create and have input as this is a brand new venture for the school. I will lead and support the group but ultimately, parents involved will take ownership of this idea.

I look forward to hearing from any parent/carers who would like to meet informally to chat about it.

Many thanks.

Kind regards,

Mrs Samantha Lune  
Parent Governor
