Secondary Ready Intervention

Dear Parent/Carer,

We are writing to you to confirm that current Year 7 students will **not** be resitting their SATs examinations, regardless of how they scored in Year 6. At one point it was the intention of the government to reassess Year 7 pupils using the same assessment as in KS2 but this policy has now been dropped.

At Ipsley we are now looking forward to further preparing our students for the secondary curriculum. The KS3 scheme has been designed in close collaboration with staff at Arrow Vale to put our students in the best possible position to reach the highest grades in their GCSE examinations in 2021.

Your child has been selected for extra after school intervention in the spring term.

The intervention will take place after school on a Wednesday – 3:15pm to 4:00pm. We will provide your child with further information which they will write into their planner. Please ask them to see this and sign where appropriate. Should you need any further information or wish to discuss the matter further please contact Mrs Barker through the school switchboard: 01527 525725.

Yours sincerely,

Mrs Barker
