Secondary Ready Intervention

Dear Parent/Carer,

I hope your child has enjoyed their start to Key Stage 3 and is enjoying the high expectations and challenging work that we aim to provide. Using the data from the Key Stage 2 SATs results your child has been identified for additional intervention to ensure they are able to thrive in their secondary educational setting. The intervention is aimed at ensuring your child can access scientific expectations in Key Stage 3 and are successful in their GCSEs at Arrow Vale RSA Academy.

The intervention will take place after school on a Thursday– 3.15pm to 4.00pm and will begin on 2nd November 2017. All of Year 7 will be sitting an end of topic test at the end of each topic (roughly each half term) from which we can evaluate their successes.

We have had much success with this scheme in the past and look forward to seeing the progress of students involved this year too.

Yours sincerely,

Mrs Duggins
Assistant Director of Learning and Standards for Science

Secondary Ready Intervention

I am aware that my child _____ will be attending intervention after school on a Thursday until 4pm.

- My child will make their own way home after intervention

Or

- My child will be collected after intervention

Signed (Parent/Carer) _____
