Dear Parent/Carer

Your child/children have been chosen to participate in a group organised by our Inclusion Team.

Our interventions are usually based around supporting some of the following areas: social skills, confidence in learning, personal development or friendships and feelings. They are scheduled within school hours and timetabled outside of core lessons.

They are taken by experienced Inclusion staff and are designed to add value and enrichment alongside the academic curriculum. Our groups can also provide a valuable extra 1to1 provision allowing children space and time to talk through their school experience which in turn allows us to provide the very best support possible for them as they continue through the school.

If you would not like your child to participate or would like more information about which group or sessions your child has been chosen for, please contact Mrs Curtis on 01527 525725 to discuss further.

Yours faithfully

Mrs Curtis  
Director of Inclusion/Deputy Safeguarding Lead
