Dear Parent/Carer,

As you are aware, your child is a student leader. I would like to meet with all student leaders on a Tuesday after school between 3:15pm and 3:45pm, starting Tuesday 19th September. The aim of the meeting is to go over any events/projects they have been involved with in the previous week, to discuss up and coming events and to discuss any issues.

I realise that not every student will be able to make every meeting, but it would benefit them to make as many as possible. If your child is unable to attend any meeting, they must let me know.

If you have any concerns or queries, please contact me at Ipsley on the above telephone number.

Many thanks,

Mr Karl Addis
Head of Year 8
