

WEEK BEGINNING:

Assessments

This week has been assessment week and the Year 5 children have been amazing! They have all had a really positive attitude towards the tests and behaviour has been excellent during them. All of the teachers are busy marking them and we can already see how much progress a lot of the children have made. These assessments are really important as they will help us to recognise any gaps in their learning and create focussed interventions for next half term and the beginning of Year 6.

Loudmouth

On Tuesday, we had a visit from Loudmouth. They put on a fabulous play acting out difficult relationships and problems that often occur online and then unpicked them after the performance and during the workshop sessions with each class. All of the classes then continued the theme of safety throughout the day and they explored how to keep themselves safe in different situations. Here are safety trees that 5LD, 5KL and 5MC created when they looked at how the school keeps them safe and what makes them feel safe.

Dates for the Diary

- School returns on Monday 5th June

ATTENDANCE

Well done 5KLA!

Learning logs

Year 5 have risen to the challenge again this half term and created some excellent learning logs using World War 2 as inspiration for their art work. There are more pictures on the schools twitter page @IpsleyAcademy.
