

WEEK BEGINNING:

Welcome back to the final term of Year 5! This year has gone so fast but the children have worked really hard and settled into Ipsley life really well – it is as if they have always been here. This final term will be jammed packed with learning experiences; here are just a few things that we have lined up:

English

We will be reading 'Goodnight Mister Tom', which links with our topic of World War 2. It is a lovely story and we hope that the children will enjoy it and be able to delve into the different themes that run through it.

Maths

This term we will be continuing to look at all of the number work we have done so far this year but also begin to look at measure and shape.

Topic

We are beginning with a science topic this term of Forces and how things move. We will then move on to our main topic of the term – World War 2. We will be looking at this part of history from the point of view of children and we are planning loads of different and exciting activities to bring it to life.

Attendance

There will be an attendance reward at the end of this half term for excellent attendance and Year 5 will be going to the theatre at Arrow Vale for a cinema experience. Each child has been given a cinema ticket and will get a stamp for every day they are here. We are hoping that everyone will be able to go. If your child is off as they are ill, please ring the office that morning and write a note in their planner to explain why they were off so their teacher knows.

Reminders

Uniform – please make sure your child has the correct uniform and it is named, especially their blazers. At this time of year, children often take their blazers off outside and put them on the bench. If it is named, they will be able to find it easier. Girls must still wear tights during the Summer months and skirts must be knee length.

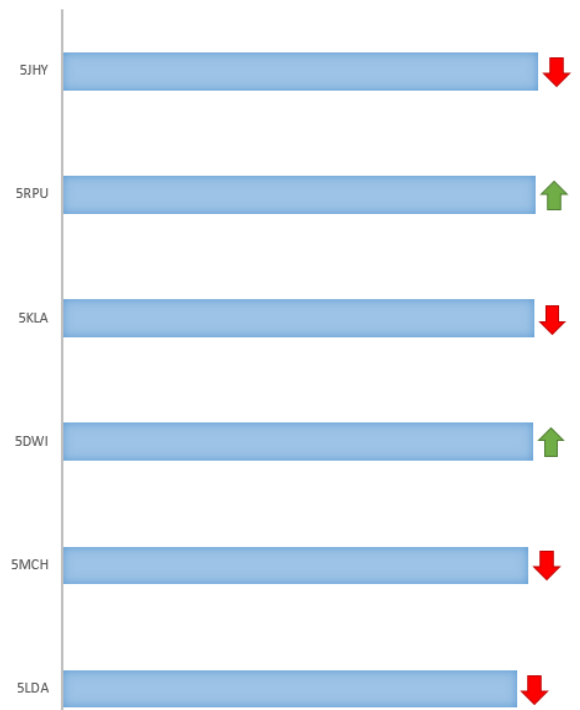

Packed lunches – please can packed lunches come to school in a named plastic box. Many children are bringing their lunch in a plastic bag and items are falling out and becoming lost.

Sleep – Year 5 children should be getting at least 9 hours of sleep a night to be ready to process their learning

Valuables – children should not be bringing anything of value with them to school; this includes everything of value to themselves, for example, toys, jewellery. If your child needs to bring their mobile phone to school, it MUST be handed to their form teacher who will look after it for the day.

We are collecting old sheets/duvet covers to cover our walls for SATs week. If you have any spare that you no longer require, please bring them in!

ATTENDANCE

Well done 5JHY!

Star of the week

5MCH - Loki Wilding

5LDA - Scarlett Diprose

5JHY - Lewis Dillon

5KLA - William Youds

5DWI - Emily Federici

5RPU - Logan Motherwell
