

WEEK BEGINNING:

SATs Writing

This week has seen Year 6 completing their writing portfolio, ready for their final writing grade to go along with their Maths and English. All teachers have noted the amazing enthusiasm and resilience, to want to re-write, edit and improve their writing to make it the best that it can be.

KFC

On Wednesday 24th May, KFC returned to announce the winner of the VIP Experience. They presented prizes to thirteen lucky runners up, who each received a chicken cheque, which enables them to purchase KFC for them and their families. The runners up were:

Anita Gurda, Natty Cavey, Rosie Callegari, Leah Young, Josh Mole, Ellie Portman, Katie Hill, Oliwia Kempka, Pru Lune, Elise Lane, Ellie Booker, Ellie Morris-Parnell and Morgan Baldwin.

The winner, who can take five friends to a KFC, bread their own chicken and create their burger, was Tyler Elmes of 6LDK – who made ‘The Big Belly Burger.’

Congratulations!

Sports Day

The children have been asking several questions about the re-arrangement of Sports Day, which was cancelled due to awful weather. It will be rescheduled for some time after half term – we will keep you informed.

Pioneer

On Wednesday evening, Mr Scarle delivered a presentation about Pioneer and gave out the medical and consent forms. Please can you get these returned to school as soon as possible and, should you have any more questions, feel free to contact Mr Scarle or any other teachers on the trip, to ask them.

Sailing

This week Miss Jackson took 16 children to Edgbaston reservoir for a transition event with the Head of Year 7, Mr Spencer. All of the children loved the event, Miss Jackson and Mr Spencer got to know the children and they were rewarded with absolutely fantastic weather.
