

WEEK BEGINNING:

English

In English this week we have continued to work through the starting chapters of Holes. Classes are at different stages – so we wouldn't want to ruin the adventures that Stanley is having for children! We have also been practicing answering test styled questions about the book and have been engaging in discussions and predictions; the children absolutely love it!

Maths

We've been working with measures this week – weight, time and distance. Following a brief recap of how to convert between the measures, children have been answering test styled questions on them.

Topic

Thursday marked our first Topic Writing Day of Year 6 as we culminated all of our research into Birmingham, England and Birmingham, Alabama into a balanced argument where the children weighed up the pros and cons of living in both cities. The end products were absolutely fantastic and it has been brilliant to see the children having the chance to express their opinions!

SATs Evening

On Wednesday, Year 6 teachers invited children and parents to attend a SATs information evening. Lots of informative tips were passed on during this time and the feedback from parents was very positive. Parents also had the opportunity to sign up for workshops that will be delivered by class teachers and had the chance to order revision guides. Information will be sent out to those parents who couldn't attend.

Ipsley Girls KS2 Football Team = 4th Best in Worcestershire!

On Friday 20th January the following gallantly represented Ipsley at the County tournament:

Faith Harris, Isla Robinson, Zuzanna Janik, Holly McCluskey, Mya Wigg, Pru Lune, Maisie Britton, Caydence Motherwell and Jade Bailey.

It was a cold, but sunny, day for the tournament. We played 4 games. We were unlucky in the first two matches as we lost 1-0 both times. In the first match because we scored an own goal and in the second we lost with the last kick of the game to the eventual winners! Things improved in the third match as we drew 0-0 against the best footballing side in the competition. Proving that our defence was really strong! We finally scored three goals in the last game to run out 3-0 winners. Isla with 2 superbly taken goals and captain Maisie bagging the other! All this after Holly made 3 super saves to keep the opposition at bay!

Well done girls. You should be very proud of your achievements!!

Remember:

The SATs revision guides are now available to order on ParentPay.

ATTENDANCE

Well done 6LDK!

 **Star of the week**

6RBO - Halle Staunton

6LDK - Emily Williams

6CFE – Lewis Green

6DMC - Olivia Burdon

6SPA - Jack Merry

6BSC - Abi Reynolds
