Dear Parent/Carer,

National Space Centre Educational Visit

We are pleased to announce a proposed trip to the National Space Centre in Leicester as part of our 'Out of this World' topic next half term.

We envisage that the trip will cost between £20 and no more than £30. We are currently arranging the final details with the Space Centre and will be able to confirm final cost and dates in the first week back after half term. It is likely to happen late November/early December.

We are hoping to offer the Space Centre Trip to children eligible for Free School Meals at a reduced rate and further details will follow. We will be requesting advance payment for the trip through the ParentPay online system; exact details will be confirmed at a later date.

Yours sincerely,

Miss Davies
Team Leader - Year 5

Mr Hylton
Class Teacher in Year 5
