Dear Parent/Carer,

As you know, we have been studying World War 2 during this term. On Thursday 22nd June, each class will be creating a museum about a certain topic linked to World War 2. We would like to invite you to visit our classroom museums between 3.30pm and 4.30pm to find out more yourselves and look at our fabulous learning.

Please return the slip below to let us know if you will be able to attend.

We look forward to seeing you.
