

Dear Parent/Carer,

Parents evening for Year 8 students will be on Wednesday 22nd March 2017. In addition to the information about your child's schooling we shall also be sharing some key messages and developments for the transition to RSA Academy Arrow Vale.

This term we will also be introducing a weekly key stage update. This will include subject, awards and attendance updates. We will add pictures of the exciting lessons and discoveries they have been making through their learning and will add any key messages of upcoming events or things your child needs to remember.

The aim is to email you the newsletter personally, as well as add it to our website and Twitter. Please fill in the slip below with the email address that you would prefer the newsletter to be sent to so we can update our records accordingly. The first newsletter will be emailed week commencing Monday 30<sup>th</sup> January 2017.

We would like to remind you that you can email the school office at [office@ipsleyacademy.co.uk](mailto:office@ipsleyacademy.co.uk) with any information or concerns that you may have about your child and it will be forwarded to the relevant member of staff. Staff will address your email as soon as possible and get back to you as a priority; please remember that staff are often teaching all day and in meetings after school so your patience is appreciated.

We are excited to develop this new communication with you about your child and their learning.

Thank you for your continued support.

Mr S Kearns  
Assistant Principal
