

Dear Parent/Carer

Ipsley CE RSA Academy are setting up an after-school club to focus on STEM projects.

STEM stands for science, technology, engineering and mathematics and is a nationwide organisation that promotes these subjects in schools and colleges. At Ipsley we are hoping to show links between these three departments and complete projects after school for students to experience how these subjects matter in today's society rather than have students see them as separate subjects.

We would like students who are interested in this STEM club to sign up for the after school club for the whole duration of the project. Each project will last a half term. The third project of the year will begin on 10<sup>th</sup> January, and is related to perfume. This project will be run and organised by 6<sup>th</sup> form students at RSA Arrow Vale. The break down of the sessions is below:

- 10<sup>th</sup> January 2018 –at Ipsley (from 3:15pm until 4:15pm)
- 17<sup>th</sup> January 2018 – at Ipsley (from 3:15pm until 4:15pm)
- 24<sup>th</sup> January 2018 – at Arrow Vale (from 3:15pm until 4:30pm)
- 31<sup>st</sup> January 2018 - at Ipsley (from 3:15pm until 4:15pm)
- 7<sup>th</sup> February 2018 – at Arrow Vale (from 3:15pm until 4:30pm)
- 14<sup>th</sup> February 2018 - at Ipsley (from 3:15pm until 4:15pm)

If your child is interested please give permission for them to be in school until 4:15pm or 4:30pm on Wednesdays from 10<sup>th</sup> January until 14<sup>th</sup> February 2018, by completing the reply slip at the bottom of the page and returning it to Mrs Duggins at Ipsley in Lab 2 by 20<sup>th</sup> December 2017.

This STEM club has a limited number of places so students will be allocated on the project on a first come, first served basis.

If you would like to view any other STEM projects then the website has many ideas that can also be done at home. Go to the website <https://www.stem.org.uk/> for more details.

Yours sincerely

Mrs H Duggins  
KS3 Science Leader (Ipsley and Arrow Vale)
