

Dear Parent/Carer

Your daughter has been invited to attend a Science Ambassador Day at Worcester University on 25<sup>th</sup> January 2018. The day is run by the Institute of Physics, local mentors and STEM ambassadors, enabling your daughter to experience physics outside the classroom and in the real world.

The day includes;

- Hands-on experiments and practical activities;
- Presentation skills training;
- Group presentations and feedback;

This event is free and pupils are expected to bring their own packed lunch, drinks or snacks. If your daughter is in receipt of free school meals, please indicate on the return slip and lunch will be provided.

Pupils should wear full school uniform and they are reminded that they will be representing the school at all times.

They need to attend morning registration on the 25<sup>th</sup> January as normal to receive their attendance mark and then meet Mrs Duggins outside Lab 2 by 8:35am. They will then take the school minibus to Worcester University Campus. The day will finish at 2:45pm and we will arrive back in school by approximately 3:30pm.

Please complete the reply slip and return to Mrs Duggins by 22<sup>nd</sup> January 2018 to confirm your daughter's place.

Thank you

Mrs H Duggins

Assistant DLS of science, KS3 science leader (Ipsley and Arrow Vale)
