Dear Parent/Carer

Annual Parent Survey

Please see the parent survey from Ipsley CE RSA Academy on the homepage of the school website. The link can be accessed via opening this letter and clicking on the following link <https://www.surveymonkey.com/r/GJSY3DF>. The survey has been designed to collect the views and voice of parents from our school community.

Last year, approximately one third of parents completed the survey. We reflected on all feedback and proceeded to make immediate and proactive changes as detailed in the newsletter following the original survey. We aim to produce this survey annually in order that parents are given a regular opportunity to feedback and to have an active voice around the education of our children. As Parent Governor I would like to take this opportunity to encourage all parents/carers to provide their views regarding Ipsley CE RSA Academy via the survey this year. Everyone has a voice and all constructive feedback is welcomed in order to make positive improvements to the substantial package already on offer at Ipsley.

We also welcome interest from those parents who wish to engage in an Ipsley Parent Partnership initiative by meeting as a parent network, supported by myself and the school's leadership team. This is a new and exciting project which will provide further opportunities for parents to contribute to and participate in activities with their children in school. We are preparing to hold our first informal meeting with coffee/biscuits in May, in school. Parents who would like to be involved are encouraged to contact myself in the first instance via the Parent Governor e-mail address: parentgovernor@ipsleyacademy.co.uk. I can then respond with details of the meeting once numbers are confirmed.

I would personally like to thank all respondents in advance for your input and support for the school and the staff team and most importantly, for your continued passion and essential contribution to your child's educational provision here at Ipsley.

Many thanks

Mrs Sam Lune
Parent Governor
