Year 7 Humanutopia Day

Dear Parents or Carers,

We have invited an organisation called humanutopia in to work with our fabulous year 7 pupils on **Friday 22nd June 2018** and your child will be asked to participate in this very exciting and innovative event.

The first phase of the project is called Who Am I and is a day-long experience which deals with important teenage issues around personal awareness, peer pressure and conformity. It will also encourage the students to reflect on their life chances, encouraging them to have high hopes and aspirations for their future. The day has been designed to help young people discover a more authentic side to who they are.

The experience is designed to empower young people to develop critical life skills, motivation for and ownership of their education. We are certain that this will be a positive and memorable experience for your son/daughter and feel it is a perfect complement to their academic studies.

For further information on humanutopia – please go their website at www.humanutopia.com.

Yours sincerely,

Mrs S Jilks
