Dear Parent/Carer,

As you know, we have been studying World War 2 during this term. On **Monday 18th June**, each class will be creating a museum about a topic linked to World War 2.

We would like to invite you to visit our classroom museums **between 3.30pm and 4.30pm** to find out more and look at our fabulous learning.

To add to our own work, if any family members would like to lend any memorabilia from the 1940's for the afternoon that our museum will be open, please send it in with your child at some point this week – ideally Friday or Monday. This might be items to do with the war or the home front. We will look after them and the children will be able to take them home with them either on Monday evening or on Tuesday.

We look forward to seeing you.

Mr B Scarle  
Year 5 Standards Leader
