Dear Parent/Carer,

As part of the end of year celebration activities for Year 6, we have organised two visitors to come into school: Solo Circus and Mrs History.

Mark Russell from Solo Circus will be coming into school on Tuesday 3rd and Wednesday 4th July. He will take each class for an hour session on circus skills, teaching and practising different skills. There will then be a performance from Mark himself at the end of Wednesday where he will save some of his special tricks to show the children. It should be an excellent couple of days and some of the teachers are already excited! The session will take place on the field and the children will be allowed to wear their PE kits on these days.

Mrs History will be coming into school on Thursday 19th July (the day after we return from Pioneer). The focus is 'The Good, The Bad and The Yucky of History', showing the children range of objects which are 'wow' or 'ugh' moments. The objects will reflect the chronology of history and the children will get to look at and touch the objects as well as talk about their thoughts about the objects. Again, each class will have their own session, which will take place in the classroom.

Break and lunch arrangements for these days will remain as normal.

There will be no charge for these sessions; the cost has been covered by the school.

Please let us know as soon as possible if there is any reason that your child cannot take part in these activities.

Many thanks for your continued support throughout this year.

Miss L Davies
Year 6 Standards Leader
