Dear Parent/Carer

An exciting opportunity has arisen to purchase some fitness tracker watches to monitor steps taken in a day. We are going to run a course where your child has been invited to wear a watch and monitor their steps each day over a three week period.

This is all part of the sport premium initiative to improve Physical Education participation by developing and adding to the activities that our school already offers. Whilst there is much media coverage about 10,000 steps per day being a target, we are not expecting children to achieve this! However, they may see the tracker as an opportunity to set more personalised targets.

If you would like to take up this opportunity for your child to use a fitness tracker over the 3 weeks, all we ask is that your child signs for the watch at the start of the period and records their steps taken in a day on the form provided.

Yours sincerely

Mr P Gripton
Assistant Director of Learning and Standards for PE

Fitness Tracker Watches

Name _____ Class _____

I would / would not (delete as appropriate) like my child to take part in the fitness tracker initiative over the next 3 weeks.

I understand that the watch is my child's responsibility and they must sign for it on receipt of the watch and when they return it. If the watch is lost or damaged it is my responsibility to replace it at a cost of £20.

My child is on the following medication: _____
