

Dear Parent/Carer,

As an RSA academy, we have made a commitment to provide students with as many valuable opportunities as possible to experience life in 'The World Beyond School'. Therefore, we would like to offer your child the opportunity to attend the **World Skills UK LIVE at the NEC on Friday 16th November**. The trip will run during normal school hours and we aim to be back at school for 3.15pm. We will post traffic updates via the school Twitter feed.

World Skills UK LIVE is packed with careers advice and skills activities across a huge range of sectors. Offering a wide selection of options, careers and pathways there's something to suit every student. This exciting, must-attend event is divided into four areas, each providing a focus on particular industry sectors:

- Construction & Infrastructure
- Health, Hospitality & Lifestyle
- Digital, Business & Creative
- Engineering & Technology

Over 200 national and local employers and training organisations will be on-hand to engage with our young people. There are hundreds of great career ideas to explore, including jobs of the future!

Students will need to bring a snack and packed lunch with them, as we will be eating lunch at The NEC. If your child normally receives free school meals, a packed lunch will be provided.

If you would like your child to take part in this fantastic experience, please complete and return the reply slip below and the medical consent form attached.

Kind regards,

Mr K Spencer
Head of Year 8
