Dear Parent/Carer,

We'd like to take this opportunity to congratulate your child on successfully gaining a position within the Student Leadership Team following our application process at the end of the last academic year.

The Student Leadership Team is made up of a collection of pupils who over their time at Ipsley have shown dedication, commitment, leadership skills and go above and beyond to meet and exceed our standards and expectations.

Student Leaders will be issued with a leadership tie which they must wear at all times when in full school uniform, in addition to a badge which should be pinned to the lapel on their blazer.

The position which your child has been offered will determine their day to day responsibilities within school but nevertheless, full commitment and a positive attitude is expected at all times.

It is essential that your child adheres to our increased expectations as a 'Student Leader' as they are not only representing the school, they are leading the rest of the student body towards being the best that they can be.

It is important for you and your child to understand that failing to meet school standards, expectations and any incidents of poor behaviour and/or poor attendance could jeopardise your child's status as a Student Leader; however, this will be discussed with you should the need arise.

Student Leaders are the face of our school when events take place. Your child may be called upon to assist in many ways during these events. Prior notice will be given should your child be asked to assist and a written permission slip must be signed from a parent/carer if your child is able to support the school during these times. We realise families have other commitments outside of school and this will always be taken into consideration if for whatever reason your child cannot attend.

We look forward to working with the new Student Leadership Team.

Kind Regards,

Mr K Spencer
Head of Year 8

Mrs S. Jilks
KS3 Phase Leader
