Dear Parent/Carer,

One of our targets in Physical Education at Ipsley CE RSA Academy is to help non-swimmers learn to swim. As a result, we are putting on a block of swimming lessons for non-swimmers. This will be in the form of 6 free lessons which includes mini-bus transport to and from Studley Leisure Centre on Wednesdays at 9.30am to 11.30am starting on Wednesday 19th September and a qualified swimming instructor is leading the course. If you would like your child to participate in this course please fill in and return the reply slip to Mrs Davis.

Children will be transported to and from the venue by school minibus and must bring a towel and suitable swimming clothing. Children may bring a snack as they will miss break time.

Please note there are only limited places for this term so we will be continuing this course throughout the academic year.

Yours sincerely,

Mrs L Davis
PE & Creative Arts Technician

Swimming Lessons
