Dear Parent/Carer,

This year we will be introducing a weekly year group newsletter. This will include what your child has been studying in their English, Maths and Topic lessons over the last week and any awards that have been given out and why. We will add pictures of the exciting lessons and discoveries they have been making through their learning and will add any key messages of upcoming events or things your child needs to remember.

The aim is to email you the newsletter personally, as well as add it to our website and Twitter. Please fill in the slip below with the email address that you would prefer the newsletter to be sent to so we can update our records accordingly. The first newsletter will be emailed on Friday 12th October 2018.

We would like to remind you that you can email the school office at office@ipsleyacademy.co.uk with any information or concerns that you may have about your child and it will be forwarded to the relevant member of staff as soon as possible, who will then get back to you as a priority. However, please remember that staff are often teaching all day and in meetings after school.

We are excited to develop this new communication with you about your child and their learning.

Please find attached a copy of this week's newsletter as an example of the one you will receive in email form from now on.

Thank you for your continued support.
