Dear Parent/Carer,

Family Superstar Reading Club

I would like to invite your child with a parent/carer to attend our Family Superstar Reading club. The club will run once a month after school in our school library and will be exclusively for the pupils invited. The first meeting of the club will take place on Wednesday 6th February 2019 from 4.15 – 5.00.

At Reading Club, pupils and parents will read, discuss and review a selected book. In between sessions, we will set some chapter challenges to accomplish by the next session so that we all move at the same pace and get to discuss the juicy bits together! All books will be provided by the school.

The aim of the club is to challenge our most able readers and to foster a love of reading that can be enjoyed together at home. The club will be run by Mrs Kegel-Duc.

Pupils are welcome to bring their snacks for the meetings. We will provide tea, coffee and squash.

We look forward to you and your child joining us at our Family Superstar Reading Club. Please note: this club is for **both** parents/carers and children to attend together at every session.

Yours sincerely,

Mrs K. Kegel-Duc
Librarian

Family Superstar Reading Club

Pupil's name.....Class.....

I would like my child to attend the Family Superstar Reading Club on 6th February 2019. I am happy to attend the club.
