### Maths Higher Level Sessions Y6

Dear Parent/Carer,

As you know at Ipsley we do everything that we can to ensure the academic success of all our students. The prior attainment of your child is excellent and as a result, we are expecting them to achieve a high score in their maths SATs exam. In order to ensure all will reach their potential at KS2 and KS3 we are providing extra higher-level maths sessions this term using subject specialists who are secondary trained. The level of the material will be appropriate to prior attainment and everyone will be stretched in a supportive and positive environment.

Your child has been selected to attend the extra maths sessions. These sessions will take place after school on a Wednesday from 3:15pm to 4.00pm, and will begin on Wednesday 27<sup>th</sup> February. The sessions will run until the Easter break.

Please complete and return the slip below to Mrs Barker if you give permission for your child to attend.

Yours sincerely,

Mrs Barker  
Closing the Gap Leader
