

### Humanities Research Project – Redditch Library

Dear Parent/Carer,

As part of our new KASE curriculum we are aiming to provide pupils with more subject specific experiences. Your child is a keen historian and has been selected to take part in a Humanities research project which will enable them to use real archives and resources found at Redditch Library. The purpose of this experience is to investigate ‘How Redditch has Changed Over Time’.

This project focuses on developing and enhancing pupils’ researching skills which is an essential skill for studying at GCSE and beyond. Researching is also widely used in a variety of work places/careers.

We are leaving school at 1.45pm and will return at approximately 4.15pm. Updates on the time of our return will be provided via our Twitter page. Please ensure that your child knows the arrangements for their collection/return home at the end of the day.

Please complete the reply slip below and the attached medical consent and return to Miss Tinsley as soon as possible.

Yours sincerely

Miss H Tinsley  
AADLS for Humanities
