

Dear Parent/Carer

Your child has been invited to attend a Science Ambassador Day at RSA Arrow Vale on 28th March 2019. This will develop your child's skills in physics experiments and outreach activities such as STEM in the future. The day is run by the Institute of Physics, local mentors and STEM ambassadors, enabling your child to experience physics outside the classroom and in the real world.

The day includes;

- Hands-on experiments and practical activities;
- Presentation skills training;
- Group presentations and feedback;

This event is free, students are expected to bring their own packed lunch, drinks or snacks. If your child is in receipt of free school meals, please indicate on the return slip and lunch will be provided for them. Students are expected to wear full school uniform and they are reminded that they will be representing the school at all times.

They need to attend tutor time on 28th March as normal to receive their attendance mark and then meet Mrs Duggins outside Lab 2 by 9.00. They will then walk up to RSA Arrow Vale accompanied by a member of staff. They will finish the day at 2:45pm and will arrive back in school by 3:15pm.

Please complete the reply slip and return to Mrs Duggins by 26th March 2019 to confirm your child's place.

Thank you

Mrs H Duggins
Assistant DLS of science, KS3 Science Leader (Ipsley and Arrow Vale)

Science Ambassador Day at RSA Arrow Vale on 28th March 2019
